

Dear Friends and Family,

As many of you know, our son is a proud member of the Arlington A's Youth Baseball Program. We are incredibly proud of the hard work and dedication that all the players and coaches demonstrate for their team and the organization!

The Arlington A's is a select baseball organization committed to providing a rewarding experience for our youth players while they learn and enjoy the game of baseball. To continue fostering this environment, we are seeking donations to help enhance the organization. Your contributions will go towards acquiring better equipment and offsetting costs, allowing us to keep fees low for all families involved.

If you're interested in supporting us, please click on the link to our organization's Venmo account. Any amount, no matter how small, would be greatly appreciated!
